GLOSS

# Gel-Gloss 8 oz. Bottles

## New Easy to use Packaging

TR Industries, the manufacturer of the world's top selling fiberglass cleaner introduces new easy to use packaging.

While TR Industries will continue to produce Gel-Gloss in it's signature metal can, we decided to create a more consumer friendly package. This was accomplished by producing 4 products in a new 8 oz. bottle.

The New 8 oz. bottle fits in the hand better. Additionally, it can be opened and closed with one hand.

Still the same great formulation in:

### GEL-GLOSS NOSTREEK GLASS/SILVER POLISH FAUCET BRITE

#### Plus a NEW Countertop/ Marble Polish

**Gel-Gloss** does it all! Fiberglass tubs, showers, shower doors, cultured marble vanity tops and more.

**NoStreak Glass/Silver Polish** is unique on the market. Cleans all glass and silver surfaces with no streaking. Reduces water spotting.

**Faucet Brite** protects and cleans! It is made for faucets, fixtures, door hardware, etc. It protects your surfaces from tarnishing. Safe on plated, coated, painted, lacquered and precious finishes.

**Countertop/Cultured Marble Polish**, cleans seals and protects.

**Countertop/Cultured Marble Polish** renews and maintains High-Gloss Beauty and Silky Smooth Feel.
