### Features:

1.5cm (5/8") thick, Ease Edge with overflow

- Integral rectangular bowl
- Optional fdSTONE® back splash and side splash available (sold separately)

### Care & Maintenance

- fdSTONE® solid surface is made up of an advanced composite of organic materials, acrylic and color pigment. Containing methacrylic acid makes fdSTONE® UV resistant.
- Wash with soap and water or mild detergent.
- If necessary, a neutral non-abrasive cleaner can be used; as harsh chemical and abrasive cleaners could damage the surface. Ultra fine (P1000-800) sanding sponge included.
- fdSTONE® is heat resistant but it is recommended to minimize direct heat and not to place hot appliances directly on the surface.
